Final Note by the Second Member of Council.

Subject: Resignation of Mr. B.G.S. Acharya, Superintendent, Minto Ophthalmic Hospital, Bangalore, and consequential arrangements.

. . . . . .

On the 20th December 1922 the Senior Surgeon brought to the notice of Government in a demi-official communication that Mr.B.G.S. Acharya had first applied for one month's privilege leave from the 2nd January 1923 with permission to utilise the preceding Christmas and New Year holidays and had subsequently suddenly tendered his resignation with the request that it might be accepted with effect from the date of the expiry of the leave, i.e., from the 2nd February 1923. He also suggested certain arrangements for carrying on the work of the hospital in case Dr.Acharya's resignation should be accepted. After seeing the Senior Surgeon's letter I recorded the following minute on 20th December 1922:-

"Dr. Acharya's resignation has not been officially communicated to the Government. If he wants to be relieved immediately he may be -- asked to hand over charge to the Resident Medical Officer of the Minto Hospital. Mr. B.K. Narayana Rao will have to be posted to the charge of the Minto Hospital. The question of his successor will be considered in due course. As regards the grant of leave to Mr.Acharya the question will be considered when his application comes before Government. I hear that he has accepted a place in the Lucknow University. If that is the case he will not be entitled to any leave".

The subject was informally considered in Council on the 21st December 1922 when it was decided that pending the receipt of an official communication on this subject which the Senior Surgeon should be asked to forward, together with the letter of Mr.B.G.S.Acharya tendering resignation of his appointment, the latter might be permitted to hand over chargeto Mr. N.S. Nanjundayya the Resident Medical Officer.

The Senior Surgeon has now sent officially Dr. Acharya's application and also his letter tendering resignation of his office and he recommends that Mr.B.K. Narayana Rao, Surgeon, Shimoga District, may be posted for the charge of the Minto Hospital from the 2nd January 1923 and that in the meanwhile, Mr.Acharya may hand over charge to Mr. Nanjundayya. Dr. Acharya's resignation may be accepted

Office of the Senior Surgeon, Mysore Govt.

Immediate & Confidential. Dated Bangalore, 19th December 1922.

C.B. 152-22

Dear Sir,

Dr. B.G.S.Acharya in his letter dated 30th November 22 applied for a month's privilege leave with permission to avail himself of the Christmas Holidays. He was asked to suggest the acting arrangements. His reply dated 8-12-1922 saying that Dr. B.K.Narayana Rao may be posted has been received. Before his title to the leave could be ascertained from the Comptroller and his application disposed of or submitted to Government with my recommendations, Dr, Acharya has surprised me by tendering his resignation, which he requests to be accepted with effect from the date of expiry of the privilege leave applied for by him.

He gives no reason for resigning this service and I am not sure if he may be called upon to state it. Nor do I think it desirable to keep in the service an officer who is not willing to remain. Although the leave is claimed by the officer by virtue of good service already rendered, yet, I believe the privilege of leave or holidays is generally allowed to officers who have a desire to continue in the service and not in cases where officers want to relinquish the service prematurely at the end of the leave applied for. In the present case, Dr.Acharya has taken us almost by surprise, without giving us time to think of other arrangements. The question of grant of the privilege leave in continuation of the Christmas Holidays is therefore entirely one for the orders of Government. Beyond the suddenness and consequent inconvemience, I have personally nothing to urge against the grant of the leave should the Government be disposed to view the application with favor, in consideration of the officer's past good work.

As regards arrangements for the work after the relief of Dr.Acharya, Mr.N.S.Nanjundiah, R.M.O., can, of coure be left in charge during the short period covered by the Xmas holidays. But it is desirable to make permanent arrangements once for all with effect from 2nd January instead of leaving

the institution in the hands of Mr.Nanjundiah who is yet new to the work. It does not seem desirable to take away Mr.K.Srinivasachar from the Mysore Hospital where there is no one else competent to look after the eye-department.

Mr. B.K.Narayana Rao who has the special qualification in Ophthalmology and is also a senior officer, is fairly entitled to the charge of the Minto Hospital, provided his own inclination is not against giving up the general line to which he was so recently put by his transfer to the Shimoga District charge where, I am glad to say, he has been doing good work. At the same time, his transfer to the Minto Hospital will be quite justifiable in as much as it will tend to further develop his special knowledge of that line of professional work which he had taken the trouble to obtain in England and it will therefore serve the best interests of the officer and the public. The arrangement will also obviate the necessity of our immediately entertaining an Ophthalmic Surgeon in the Surgeon's vacancy and will offer another chance for giving promotion to one more officer in the lower grade. For, I doubt if any candidate with special qualifications and experience sufficient to be placed in charge of an institution of the magnitude of the Minto Hospital could be made to accept any rank below that of a Surgeon. I have wired to Mr.Narayana Rao and expect his reply if he would accept the charge of the Minto in preference to his present general line. But this is only as a matter of courtesy. An officer is bound to work in whatever place it may please the Government to put him. And it is certainly better to post one of our own officers to the charge instead of appointing one new to local conditions, however good he may be, professionally.

In case Mr.Narayana Rao has to be taken away from Shimoga, I feel some difficulty in suggesting arrangements for the charge of that district. Personally I feel confident of the capacity of Mr.T.Balakrishna Mudaliar to manage a district, as he has had sufficient training in the Krishnarajendra

(10

Hospital, Mysore, for two years as Resident Medical Officer, and for another year and a half of Post Graduate course and charge of medical wards as District Medical Officer. But in view of the definite orders of Government conveyed in the correspondence ending with the Revenue Secretary's D.O. letter No.L.3048 -Med., dated 17th October 1922, regarding their disapproval of the idea of disturbing that officer unless he completes full three years as Resident Medical Officer of the Krishnarajendra Hospital, I must hesitate to make the suggestion again.

The question of grant of leave to Dr.Acharya and the acceptance of his resignation has to be decided at once and I request you to kindly have necessary orders issued in this behalf, Mr.N.S.Nanjundiah being ordered to relieve Mr.Acharya ~~xxxx~~ and remain in charge till other permanent arrangements are ordered after further consideration. This D.O. may kindly be treated as an official communication Dr. Narayana Rao has wired his willingness to accept mint charge.

Yours sincerely,

M. Humza Hussein Esq., B.A.,B.L.,
Member of Council, Bangalore.

Dr Acharya's application has not been properly communicated thro' Govt. If he wants the relieved immediately he may be asked to hand over charge to the A.M.O Maiko Hospital.

Mr B K Narayan Rao will have to be posted to the charge of the Maiko Hospital. The question of his successor will be considered in due course.

As regards the grant of leave to Dr Acharya his question will be considered when his application comes up thro' Govt. It is learnt he has accepted a place in the Lucknow University. If true it

his case he will not be entitled to any

leave —

Ilbert

To

C. B. 152-22-1

The Chief Secretary to Government of

H. H. the Mahataja of Mysore, Bangalore.

Sir,

I have the honor to forward herewith, for favor of very early orders, letter No.345, dated 16/19th December 1922, (in original) from Dr. B. G. S.Scharya, tendering his resignation to the office of Surgeon and Superintendent, Minto Ophthalmic Hospital, Bangalore, with effect from 2nd February 1923, the date on which he expects the privilege leave for one month in addition to Xmas holidays applied for by him in his letter No.306, dated 30th November 1922, will expire.

The question of granting privilege leave to an officer who wishes to prematurely retire at the end thereof, is entirely one for the pleasure of Government to decide.

In the event of the resignation of Dr.Acharya is accepted, I recommend the posting of Dr.B.K.Narayana Rao, M.B.,C.M.,D.O. as Superintendent of the Minto Ophthalmic Hospital. This officer has the neccssary special qualification obtained by him in England and his past very satisfactory work entitles him to be posted to the charge of this third important Medical Institution in the State, to the best advantage of the service as well as of the public. As Mr.Narayana Rao has already been permitted by me to avail himself of the Christmas and New Year Holidays, he may kindly be ordered to take charge of the Minto Hospital after the holidays. Mr. N.S.Nanjundiah, Resident Medical Officer, Minto Hospital, will look after the institution during the holidays, relieving Dr. Acharya on the 23rd December afternoon (if so ordered) as desired by

(4)

Dr. Acharya in his application.

Recommendations regarding permanent arrangements for the medical charge of the Shimoga District in place of Dr. B.K.Narayana Rao, will be submitted separately. Even if delay is likely to occur in this respect, Dr. Narayana Rao can very well hand over charge to the Assistant Surgeon attached to the Shimoga District Hospital, and assume charge of the Minto Hospital

I have the honor to be,

Sir,
